

HELENSBURGH AMATEUR SWIMMING CLUB

PARENTAL CONSENT FOR PHOTOGRAPHS AND VIDEOS

The use of visual evidence of performance, e.g. stroke technique, in training and competition, is an important tool for coaching swimming.

Helensburgh Amateur Swimming Club (the "Club") will sometimes use video recorders and/or cameras ("photographic equipment" which term for the avoidance of doubt shall include mobile phones) during training sessions and competitions for coaches and swimmers to analyse stroke technique and performance. Video evidence of this nature is for internal Club use only and shall not be shown to any external body without the express consent of both the athlete and their parent(s)/guardian(s).

The Club will take photographs for appropriate media coverage including newspapers or websites, recruitment brochures and Club displays from time to time.

Please complete this form indicating whether you do or do not wish to give the Club permission for your child/children to be included in photographs and videos which may be used for the purposes set out above. Any permission given may be withdrawn at any time by giving written notice to the Membership Secretary.
